MODEL : SG 10

THE PROTECTOR

SAFETY EYEWEAR

Army Safety® The Protector Safety Eyewear is designed to deliver reliable eye protection in industrial and workplace environments. The lightweight wraparound design offers a wide field of vision while the high-impact polycarbonate lenses help protect against flying particles and mechanical hazards.

SG 10 G

SG 10 C

- RELIABLE PROTECTION FOR EVERY WORKPLACE
- LIGHTWEIGHT & COMFORTABLE
- WIDE VISION BETTER SAFETY

IMPACT RESISTANCE | 99.9% UV PROTECTION | ANTI SCRATCH | WIDE FIELD OF VISION | SIDE PROTECTION

SAFETY INSTRUCTION

The lenses are manufactured from high-impact polycarbonate and provide high impact resistance. The lenses comply with the performance requirements of ANSI/ISEA Z87.1 and EN ISO 16321 standard. While highly durable, they are not unbreakable.

MATERIAL

Lens	Polycarbonate (PC)
Frame	Polycarbonate (PC)
Temples	Polycarbonate (PC)
Optical Class	Class 1
Lens Type	Grey & Clear
UV Protection	Yes
Scratch Resistant	Yes
Mechanical Strength	F(45 m/s)

PACKAGE

- 1 Piece / Poly Bag
- 12 Pieces / Inner Box
- 300 Pieces / Carton

CERTIFICATIONS

Complies with:

EN ISO 16321
EN 166, EN 170

ANSI / ISEA Z87.1

Business Social Compliance Initiative

EN 172 5-3.1Z87 + U6 L3, UN400

PRODUCT FEATURES

- Lightweight and comfortable for extended wear
- High-impact polycarbonate lenses
- Wraparound design for improved side protection
- Wide Field of Vision
- Scratch-resistant lens coating
- 99.9% UV protection
- Durable polycarbonate frame
- Ergonomically designed temples
- Reusable and easy to clean
- Suitable for industrial applications

PROTECTION

Provides protection against:

- Flying particles
- Dust
- Low-energy mechanical impacts
- General workplace hazards
- UV radiation

RECOMMENDED APPLICATIONS

Construction | Manufacturing | Engineering

Warehousing | Automotive | Maintenance

Laboratories | Mining | General Industrial Work

CLEANING & STORAGE

- Clean with mild soap and clean water.
- Dry with a soft microfiber cloth.
- Avoid abrasive cleaners and solvents.
- Store in a cool, dry place away from direct sunlight.

LIMITATIONS

- Not suitable for welding applications.
- Not intended for laser protection.
- Replace immediately if the lens becomes cracked, heavily scratched, or damaged.
